.3 Garbage Firms Buy Gas from Sewer District Director

ORINDA SUN

Vol. X. No. 20 — Lafayette — Orinda, California — Friday, August 1, 1952 — Ten Cents

Tell Need for Parallel Tunnel

Booker Says It Would Be Cheaper, Earlier Method

By JULIUS ROSENTHAL

A one-bore second tunnel just north or south of the present Broadway Low-Level Tunnel would be the most effective immediate answer to some of this area's urgent traffic problems, in the opinion of B. W. Booker, assistant state highway engineer.

Stressing that he was expressing his personal opinion and that he was not speaking for the policy of the Department of Public Works, Booker told the SUN this week that he believed such a project would be "the cheapest and earliest" way to ease the problem of access between Contra Costa and Alameda Counties.

Booker added that a Shepherd Canyon tunnel, leading to the Moraga Valley area, would probably "have to be built ultimately."

"BUT A NEW tunnel just north or south of the present tunnel ought to come first, I think," he said. "It would be a cheaper and speedier way of helping the situation."

Booker explained that a second tunnel of one bore would actually be a third tunnel, since each of the two bores of the present tunnel is considered a tunnel by engineers.

This "third tunnel" could be either two-lane or three-lane, he said. (See boxed story.)

HOWEVER, BOOKER pointed out: "The present tunnel is not the bottleneck. The bottleneck is Orinda Crossroads, the signals in the Lafayette area, and so on.

"Our first project will be the Crossroads."

Booker pointed out that very limited amounts of money are available for necessary work. Statewide, a three-billion-dollar deficiency exists; in Contra Costa County, a deficiency of between $80,000,000 and $85,000,000.

State plans for the Crossroads portion of the Freeway have been approved by the county, but work cannot proceed on this until the State Highway Commission budgets funds for the estimated $1,500,000 job. Budget for 1953-54 will be set this fall.

Before any construction of a "third tunnel," more money would be needed, Booker emphasized.

BOOKER SAID the state is not making any plans regarding a Shepherd Canyon tunnel because that route is not in the state highway system and that therefore there are no deficiency estimates for it.

"By deficiency estimates," he explained, is meant the sums estimated necessary for improvement of highways which are not adequate for existing traffic.

The Shepherd Canyon route and tunnel have long been advocated by many groups, and only last week were suggested as an alternate state highway route by the Contra Costa delegation appearing before the Senate-Assembly Joint Fact-Finding Committee on Highways, in Long Beach.

Asked his opinion of that request, Booker said:

"THAT'S A LEGISLATIVE matter. If the route were added to the state highway system, the financial deficiencies would be increased considerably."

Booker explained that a Shepherd Canyon tunnel, since it would not be in the state highway system, would be a two-county venture and would necessitate formation of a joint highway district and other steps, all of which would take a long time.

"There's no real conflict between the idea of a new tunnel near the present one and the idea for a Shepherd anyon tunnel," he observed. "It's just a question of trying to get something done faster and cheaper."

Here's Plan for Third Bore at Broadway Tunnel

Here are suggestions for a new tunnel next to the Broadway Low-Level Tunnel, offered by Assistant State Highway Engineer B. W. Booker as his personal opinion, in an interview by the SUN:

1. — The new tunnel to be one bore, either two-lane or three-lane, 108 feet north or south of the present tunnel. The two present bores are separated by a 108-foot wide wall. The Broadway Tunnel would then become a three-bore tunnel.

2. — If the new bore is two-lane — the center bore would be operated for eastbound traffic in the evening peak period and for westbound traffic in the morning peak period. Thus, there would be four lanes for the heaviest traffic in peak hours.

3. — If the new bore is three-lane — the two present bores could be used for one direction, the new bore for the other direction — all day.

"A new two-lane tunnel would be very much cheaper, but a new three-lane bore would simplify operation," Booker said.

Burglar Suspects Arrested; Shell Station Robbed

Two Oakland youths, burglar suspects, were apprehended at Black's Market at 3 a. m. Sundy morning because of the quick thinking of Deputy Sheriffs Louis Skuce and Robert Fisher.

Another crime was reported when approximately $170 cash was found missing from the Shell Station at the Crossroads when Carl Killion, station attendant, opened Monday morning.

AT BLACK'S MARKET, the two officers were on patrol when they noticed a parked car backed up to the supermarket entrance in a suspicious manner. As the deputies came closer for further inspection, two men bolted from the auto.

The deputies, according to Sheriff's Inspector Norman Wilson, fired two shots, which brought the men to a quick surrender.

The two men arrested were Ernest E. Anderson, 20, 3030 Harrison Street, and Charles B. Greene, 19, of 5707 Shafter Avenue. Both boys have records previously for auto theft and burglaries, and when arrested, Anderson had a 4½-inch knife in his possession.

Investigation of the car revealed that it had been stolen in Oakland recently.

AT THE SHELL STATION, the thief gained entrance to the office by cutting the chain, possibly with a bolt cutter, which is padlocked when closing.

"Evidently the burglar was familiar with the set-up here and may have been a former employee," Don Tomb, station manager, said.

The crime is suspected to have taken place sometime between the hours of 2 a. m. and 5 a. m.

Orinda Youth in Lafayette Crash

Hugh Haskell, 18, of 69 Camino Del Diablo, Orinda, was driving west on Mt. Diablo Boulevard just east of First Street, Lafayette, last Saturday afternoon when his car collided with another westbound car driven by Charles Covey, 67, of Oakland.

No one was injured, according to the California Highway Patrol.

Barbara Stark Finishes 5th in Finals, Nets 2 Points for U. S. Olympic Team

Barabara Stark, despite an all-out finish, couldn't catch up to Jean Harrison of South Africa in the finals of the women's 100-meter backstroke races at the Helsinki Olympic games yesterday.

Barbara, the lone American entry in the backstroke, finished fifth, and gained two points for the United States Olympic squad. Barbara was timed in at 1:16.2.

Jean Harrison was clocked in at 1:14.3 as she took first place.

Barbara Stark, 15-year-old swimming sensation from Orinda suffered an injury last Sunday when she slipped against a glass door in the dressing room of the Olympic Swimming Stadium at Helsinki, Finland following a workout in the pool, but never-the-less, was able to enter the swim finals yesterday.

Barbara suffered a cut head as a result of the fall and four stiches were reuired to close the wound.

A LAST MINUTE decision by the team physician enabled Barbara to compete in the trials and she came through to qualify for the finals with a 1:17.9 time for the 100 yard backstroke event.

Barbara, who will be a sophomore at Acalanes next fall, became the lone American entry in the finals when teammates Mary Freeaman and Coralie O'Conner were eliminated in the trials.

Earlier in the week Barbara swam the fastest time she has ever done, according to Coach Dick Pappenguth of Purdue University.

Wood Map Comes Up for Planners' Action Tuesday

Action on realtor Fred T. Wood's application for approval of his 97-lot map of Orinda Hills, proposed subdivision bordering Moraga Estates, Moraga Manor and Moraga Glorietta, will definitely be taken by the County Planning Commission next Tuesday night, according to Planning Technician Tom Heaton.

Heaton said that the hearing is over, and that all that is left is for the commission to make a decision. The matter was discussed at last Tuesday night's executive session of the commission but no decision was reached, Heaton said.

Heaton said his staff would not make a written report to the commission, since no written report had been requested. "It will not be a difficult decision for the commission," he stated. "The commission is perfectly capable of arriving at a decision."

WOOD YESTERDAY said he had informed the Planning Commission that if his latest map, which compiles with all zoning requirements, is not approved, he would take the matter up with the Board of Supervisors.

"About two months ago I submitted my first map for the 102-acre tract," he said. "At that time I asked for 41 lots to be one-third acre and for 20-foot setbacks and 15- and 10-foot side yards. That wasn't satisfactory.

"I filed a new map, showing only 13 lots that were less than a half acre, but there was such a hullabaloo of protest that I withdrew it.

"IN MY LATEST MAP, there are no lots less than a half acre. I intend to put in sewers, water connections, black-top streets, all according to county specifications, and all other utilities, such as gas and electricity. I'm connecting the roads with all the pricipal roads in the nearby subdivisions — Moraga Estates, Moraga Glorietta, Moraga Highlands."

Zoning requirements call for 25-foot setback and 15- and 20-foot side yards, and Wood said he might have to apply for land use permits later in order to build 75-foot-wide homes.

MEANWHILE, Joseph Creighton, chairman of the Orinda Planning Committee, reported that Anthony R. Cianciarulo of the committee had arranged for a meeting of this group with Supervisor Jack Cummings today, to review the situation.

The Orinda Planning Committee, consisting of representatives of a dozen local improvement clubs, has been opposing Wood's moves, claiming that plans for leveling off hilltops would destroy the hilly beauty of the landscape.

"It seems to me," Creighton said, "that the important thing is to preserve the area so that it fits in with the surrounding area, and is not a scar on the landscape.

"We'd like to have everyone at the Planning Commission meeting in Martinez Tuesday night. As yet, the Planning Commission has not shown that it understands the problems of Orinda or the way Orinda is developing. The people of Orinda don't want Orinda to look like Antioch or Martinez. The county ought to maintain different areas for different types of subdivisions.

"THERE ARE TWO ways of designing a hilly-area subdivision — the San Francisco way, crammed and flat, which is all right for a big city, and the Orinda way, preserving the natural contour of the land. The Moraga Company, which is selling this property to Wood, has property which is flat within three miles from this site."

The Orinda Planning Committee discussed developments with Harold Wise, Menlo Park planning consultant hired by the group, at luncheon at the Athens Club in Oakland last Friday. Wise conferred with Heaton in Martinez later that day.

Mrs. Marie Rolfe Taken by Death

Mrs. Marie M. Rolfe, 51, of 183 Orinda Highway, passed away in her home last Sunday following a brief illness.

Funeral services were held yesterday at the Little Chapel of the Flowers, with burial in Sunset View Cemetery.

Mrs. Rolfe, who was an accountant in the Berkeley City Treasurers' office, was the widow of Phil Rolfe, former Berkeley Gazette sports editor. She is survived by her brother, Malcolm L. Berry of Martinez.

Mrs. Rolfe had lived at 183 Orinda Highway since 1936.

Hearing Set for Rick's Drive Inn Liquor Request

Hearing before the State Board of Equalization concerning the on-sale general liquor license at Rick's Drive Inn, has been set for August 26, starting at 10 a. m., at the Justice Court, 604 Ferry Street, in Martinez.

Groups and individuals opposing the proposed bar, which is planned for the back of the Drive Inn, will have the opportunity to voice their objections during the meeting.

Attorney John A. Bohn of Lafayette and San Francisco, who has volunteered his legal services on behalf of the objectors, announced last week that he was preparing a brief.

Generally, opposition is based on the proximity of the location to Acalanes High School.

Moraga Del Rey School Will Be Built Here Next

At Monday night's special meeting of the Board of Trustees of the Orinda School District it was decided to build the Moraga Del Rey school before any additions are made at the Sleepy Hollow school.

A resolution was also passed requesting nursery facilities of the Orinda Community Church be made available until the Sleepy Hollow school is completed.

THE BOARD OF Trustees passed a formal resolution to accept the deed from the Moraga Company for the land at Moraga Del Rey. An agreement had been reached earlier between the board and the Moraga Company in regard to the Moraga Del Rey site. The 12.25 acres, located on the south side of El Camino Moraga, opposite the head of Don Gabriel Way, is being purchased for $30,625.

The contractor now at work on the Sleepy Hollow school has announced that he expects work will be completed sometime between October 1 and October 15.

FOUR MAIN REASONS were given as to why work at the Moraga Del Rey school should be started first. They were:

1.—There are a great number of children from the Moraga Del Rey and the Glorietta area.

2.—Many new subdivisions in that area are now far beyond the planning stage.

3.—Some of these subdivisions are in the building stage.

4.—Next year, Glorietta School will be overcrowded (for first and second grade children, six classes will be held on double session).

DURING THE MEETING, which was held at Orinda School, plans were discussed for the selection of an architect. It was decided to send a questionnaire to interested architects. (Ten architects in the Bay Area have so far written the board, requesting that they may be considered.)

When the questionnaires are returned, four architects will be brought in for personal interviews. The architect finally selected for the job will be selected for his background and experience and the date when he will be available to start work.

SEALED BIDS WILL be received from contractors for the work at Moraga Del Rey School. These bids are expected to vary in price. An example of this is the case at Sleepy Hollow school; bids varied as much as 11 per cent from the highest to the lowest.

The Board of Trustees is bound by law to accept the lowest bid submitted.

Old Man Weather Gives Display Of His Powers

An interesting display of what old man weather can do when he sets his mind to it, was given to the folks of Orinda during the past week.

For during the week from July 23 through Wednesday, weather in and about Orinda was a true "study in contrast."

On Monday, hottest day of the week, an even 100 degrees was recorded. Yet, early Tuesday morning, thermometers fell to 51 degrees, which was the coldest temperature reported.

It was awful hot and it was awful cold, but at least there wasn't any rain reported.

Toland Says Gas Story Is 'Ridiculous'

"Frankly, it's ridiculous," is the way Harold Toland of Walnut Creek, member of the Central Contra Costa Sanitary District Board of Directors, summed up this week the speculation regarding gasoline purchase from him by the three major garbage firms of this area.

Lafayette Disposal Service, Orinda Garbage and Refuse Disposal Service and Valley Scavenger Company of Walnut Creek — the three companies asking for passage of the garbage franchise ordinance — now buy gasoline from Seaside Oil Company, for which Toland is distributor.

The Lafayette and Orinda firms switched to Toland about six months ago; the Walnut Creek firm has been buying from him for several years.

"THE LAW SAYS it's O.K. for me to do business with the garbage companies — but even outside of the legal aspect, there's nothing wrong with it," Toland told the Sun.

"As for suspicion that I make a lot of money from the dealings with the garbage firms — here are some figures:

"We make two cents a gallon, gross, on the sale of the gasoline. I think the Lafayette and Orinda garbage companies use about 600 or 700 gallons a month apiece. That means we make a total gross profit of about $28 a month from the sale to the two firms.

"WE GO IN TWICE a month to service each of the two firms — that's four deliveries a month. It takes the driver about a half-hour for each delivery — a total of two hours each month. I have to charge my time off at the rate of $8 an hour, so that expense of mine comes to $16 a month.

"Deducting the $16 from the $28 leaves a monthly profit of $12. Does that sound like a 'big deal'?"

Toland said that the possibility of enacting a garbage franchise measure was first brought up by the Central Contra Costa Sanitary District board four or five years ago. "Under the law, garbage and sewage are both proper concerns of a sanitary district," he said.

"I FEEL," he continued, "that it has cost the taxpayers $50,000 or $60,000 not to have had a garbage control setup in the past. If it were in effect now, it would take care of repair expenses for the next four or five years. It's been estimated that the district would get $12,000 to $15,000 a year income from garbage franchising.

"We're the only sanitary district or municipality in the state not doing it. And we'd have some control over the type of garbage collection service."

Toland stressed that the current Sanitary District budget has a deficit of $85,000.

HE DECLARED that the basis of opposition to the franchise proposal is a desire "to protect one or two small operators, at a cost to the taxpayers." "We'd be derelict in our duty if we didn't explore the possibility of aiding the district by a garbage franchise ordinance," he said.

Referring to Boyd Olney Jr. of Pacheco, independent garbage operator who is opposing the proposed ordinance, Toland said:

"If Olney put as much effort into trying to merge with the other garbage firms in a bid for a franchise as he does in opposing the measure, it would be better from his own business standpoint."

Committee Will Study Problems Of Incorporation

A committee of three has been recommended by the Civic Affairs Committee of the Orinda Association to interpret the Coro Foundation's incorporation-cost survey made for the Lafayette area. The association board is expected to act on appointment of the committee on August 25.

Ernest J. Spiegl has been suggeted as chairman of the proposed committee and Frank Cayting and Ramsey Underwood will serve with him.

THE GROUP PLANS to interpret and convert the facts and figures established by the Coro Foundation's survey to apply to Orinda, and will work closely with the Lafayette Improvement Association in this matter.

Spiegl has been working with Harold Furst, president of the Lafayette Improvement Association, as an observer representing the Orinda Association in the study of the Coro Foundation's report.

ANOTHER IMPORTANT activity of the committee will be to study, with the Lafayette group, the "urban unincorporated" measure, which is now in state legislative interim committee status and under which communities like Orinda and Lafayette would have to pay extra county taxes for certain essential county services, if the communities remain unincorporated.

Because there was no Board of Directors meeting Monday night, this committee has not as yet been officially appointed.

CLINTON HALSTED, Civic Affairs chairman, has announced the following committees which are now in the process of being organized: Roads, Planning, Sanitary District, Community Center, Library, Orinda Association Membership, Arbor Day and Meet-the-Candidates Nights.

Hallsted said proposed names of committee members will be announced shortly.

Garbarge Control Plan 6 Years Old, Wadsworth Says

Director R. E. Wadsworth of the Central Contra Costa Sanitary District emphasized this week that the garbage franchise proposal, scheduled for public hearing August 14, "is coming to a head after having been brewing for five or six years."

"The idea was first brought up the year after the district was started," he said, "but John Mason (resident engineer who later became district manager-engineer) advised us to shy away from it until we got organized. It seems that his experience in Modesto had convinced him that garbage control was a headache for a new sanitary district.

"SO THERE'S NOTHING new or startling about the present proposal. We've talked about it for some six years, and under state law a sanitary district can have control over both sewer and garbage operation."

Wadsworth, who lives in Orinda and has a real estate office there, suggested garbage franchising as a method of increasing district revenue, at a district board meeting last March. The proposed ordinance came up May 1 but was "shelved"; it was passed June 5 but was rescinded a week later when residents at the June 12 meeting voiced strenuous objection.

Main contention of the objectors was that there had not been proper public discussion of the problem and that the measure had been suddenly passed, without advance notice.

"BASICALLY," Wadsworth said this week, "all that was the matter with the way the thing was handled was that, since it was under new business, it came up at 11:30 p.m. on June 5, after everyone in the audience had gone home.

"Some people said we ought to have a hearing, so a hearing has been set. There's nothing in the code that says we must have a hearing in acting on a proposed ordinance. We pass many ordinances without hearings — it would be impossible to transact all our business otherwise.

"In the past six months we haven't got out of any meeting before midnight. I'm in favor of more meetings and shorter ones."

WADSWORTH SAID that at the August 14 hearing both sides will have opportunity to present arguments.

"The board will sit as a sort of jury," he said. "It may or may not act that night.

"There have been many discussions about the proposal at meetings of various organizations, and there will be others before the hearing. As I've said, this whole thing dates back about six years."

Schools Budget Hearing Monday

Public hearing will be held Monday night on the proposed $481,223 budget for the Orinda Union School District for 1952-53 at Orinda School. The session will start at 8 oclock.

Last years budget was $327,525.69.

INSTRUCTION, $205,280, is the largest single item of expenditure in the proposed budget. This figure includes $162,880 for certified teachers salaries and $42,400 for other expenses of instruction.

Capital outlay totals $181,540 and is the second highest expenditure figure in the budget. Of the captial outlay, $42,000 is designated for land, $127,540 for buildings and $12,000 for equipment.

Operation of the school plant comes to a total of $29,500. This includes $21,500 for salaries and wages and $8000 for other expenses.

TRANSPORTATION of puipls totals $36,000; community services are $1200 and auxiliary services come to $400.

Under the heading of administration the proposed budget allows $5160 for salaries and wages and $2000 for other expenses.

The school district income is expected to include $216,689 from state apportionments, $162,382 from district taxes and $102,162 from the net beginning balance following the 1951-52 year.

Board of Orinda Association Has No July Meeting

Because of the vacation season and the fact that a number of directors were out of town, Orinda Association's Board of Directors skipped its July meeting this week.

Ordinarily the board meets the fourth Monday night of each month at Orinda School. However, Secretary Charles Blue, after discussing the matter with Director Everett Howe, explained that a number of the directors were away, making it doubtful if a quorum could be on hand last Monday night.

He added that if anything important came up before the next scheduled meeting, August 25, directors could discuss problems with one another over the telephone.

President Stanley Allen is at his ranch in Madera County near Bass Lake, four and a half miles from Coarsegold, for the summer. Vice-President Kendric Morrish is also out of town.

Two Companies Switch to Toland in Last 6 Months

By POLITICUS

The three major garbage firms in this area are now buying gasoline from Harold Toland, distributor for Seaside Oil Company and a director of the Central Contra Costa Sanitary District, the SUN learned this week.

The firms, all interested in having the proposed garbage franchise ordinance passed by the Sanitary District board, are Lafayette Disposal Service, Orinda Garbage and Refuse Disposal Service and Valley Scavenger Company of Walnut Creek. The Lafayette and Orinda companies switched to Toland about six months ago; the Walnut Creek firm has been buying gasoline from him for about eight years.

These disclosures came as public attention was sharply focused toward the August 14 public hearing on the garbage franchise proposal, to be held before the Sanitary Board.

As announced by him several weeks ago, Director William Malott is preparing a measure which would prohibit business transactions between the directors and contractors doing business with the district.

AS TO THE SWITCHING of gasoline purchase — Louis Repetto, who with his partner, Arthur J. Di Grazia, owns the Lafayette Disposal Service, said:

"We switched to Toland a few months back. It had nothing to do with the Sanitary District. It was purely a business transaction. Before that, we bought our gasoline at two other places — Burnett in Concord (General Petroleum Corporation) and George Austin in Walnut Creek (Standard Oil Company).

"There was no 'deal' or 'exchange' of any kind in connection with the proposed garbage franchise.

"We spread our business around — it's not confined to one firm. We get our oil and accessories from Associated at Avon, our tires in Oakland, our auto parts at Jim Knott's Lafayette Auto Parts."

Joe Navone, owner of Orinda Garbage and Refuse Disposal Service, said:

"We switched to Toland more than six months ago. Before that, we had been getting gasoline from Udall in Concord (Mobilgas), Roy Pasquini in Walnut Creek (Union 76) and Standard Oil before George Austin was the Standard Oil distributor.

"I have no signed contracts for purchase of gasoline; I could change tomorrow. Theres absolutely no connection with any Sanitary District business."

Repeated efforts to reach Pete Zunino, owner of Valley Scavenger Company in Walnut Creek, proved unsuccessful. But Toland said:

"I've been serving Valley Scavenger Company approximately eight years. I dont' get all the business there. Associated, I believe, gets about half of it."

Toland, who operates his Seaside business from Danville, said that the Lafayette and Orinda garbage-collection firms have been dealing with his company "about six months." "There was a little difference in the time each firm started to buy from me — they were about a month apart," he said.

"I've met Navone only once or twice. I don't know the party in Lafayette — they contacted my firm."

AFTER MALOTT FIRST ANNOUNCED he would prepare a measure to prohibit business transactions between Sanitary District directors and contractors doing business with the district, Director R. E. Wadsworth remarked to the SUN:

"Looks like they're gunning for poor Toland."

But Toland this week stated:

"If I remain a member of the board and if the board would have a 'say' in the operation of garbage collection, through formation of a garbage district, I would feel morally obligated — even if not legally obligated — to discontinue service of my company to the garbage firms."

THE PRESENT CONTROVERSY RECALLS the fireworks back in the fall of 1948, when the board was split over the firing of the Kennedy Engineering Company and the hiring of John Mason as district engineer, and when Directors Toland and H. M. Smitten almost came to blows.

At a board meeting on November 4, 1948, Mel Nielsen of Lafayette stated:

"I have heard that one petroleum dealer serves all contractors on sewer projects. It looks like a one-way deal and investigation shows that some of the oil companies have lost this business to this one company because of pressure brought by a member of the Sanitary Board. Is this gas business open for bid, and why can this one company that is so small underbid the others?"

After Board Chairman Elliott Johnson explained that contractors could buy gas from anyone they wished, Toland demanded that Nielsen "state who told you this and who asked you to come here."

Nielsen replied that no one had sent him but that "everyone from Walnut Creek and Lafayette should be here to see this."

Andy Gompertz, general superintendent for the Stolte Corporation, said Stolte purchased Seaside gasoline "because it is the only company that delivers to and services our various units in the field."

Toland this week recalled: "The Stolte Corporation had asked Associated to serve them. But Associated wouldn't fill their tanks on the job. Stolte called me, and we were equipped to serve them on the job. Later, we turned down contractor business — we couldnt make any money on it."

WADSWORTH SUGGESTED consideration of garbage franchising last March. Malott was the lone opponent when the ordinance was passed June 5. Toland was the only board member to vote against rescinding of the ordinance June 12.

(See separate articles on statements by Toland and Wadsworth.)

Don Bradley In Hospital

Don Bradley of 32 Bonita Court, Walnut Creek, and owner of Bradley's Cash Market in Orinda, is expected to be released either today or tomorrow from Oakland's Peralta Hospital, where he has been for the past week as the result of a torn leg muscle.

Dr. Wayne Caygill has been treating Bradley.

Save Tires and Gas
SHOP IN
ORINDA

SACRAMENTO NORTHERN once again became a name of action recently — but only for a day. The occasion was the recent excursion trip by the Bay Area Electric Railroad Association. Some 100 passengers traveled on the two cars, from Oakland to Pittsburg and back. Stops were made for picture-taking, for lunch at Pittsburg — and for a cow near Burton Station in Lafayette. At left, the excursion train is about to leave College and Shafter in Oakland. Second picture shows the train emerging from tunnel after running through Walnut Creek, Lafayette and Pinehurst. Third picture is of the Electric Railroad Association's car — one of the two that made up the train — No. 1005, formerly of S. N. but purchased from the Key System last year by the group. (The other car on the trip was the one remaining S. N. car, owned by Western Pacific.) At right, the train rounds Valle Vista curve, with Moraga Valley in the background. This July 6 trip, although just for pleasure, served to dramatize current hopes of commuter groups in this area for resumption of Sacramento Northern passenger service. The SUN in recent months has published articles on efforts to get Western Pacific Railroad to drop its announced plans to tear up the S. N. tracks from Oakland to West Lafayette Station.

Scout Fund Drive Set For September

G. H. Macey of 7 Sunset Drive, Pleasant Hill, recent chairman of the Mt. Diablo Council Boy Scout Circus Committee, has been named to head the joint fund campaign for Boy Scout and Girl Scout activities in the Diablo area by the co-ordinating committee of the two groups.

The campaign, which will be held from September 26 through October 6, will cover the areas in and around Lafayette, Walnut Creek, Orinda Alamo, Danville, Diablo, Pleasant Hills, and Ygnacio Valley.

For the past five years the campaign has been a joint effort of the scouting organizations in the Central Contra Costa Region. It is the major source of operating funds for both Scout groups, since there is no community chest nor other united civic fund in the area.

FITCH ROBERTSON of Walnut Creek is chairman of the co-ordinating committee which is directing the drive. Representing the Girl Scouts are Mrs. George Jensen, Lafayette; John Laverty, Walnut Creek, and John W. Fry, Lafayette.

Boy Scout representatives on the committee are J. Morris Browning, Lafayette; C. R. Graff, Pleasant Hills, and John Stoffel, Orinda.

Heading the campaign organizations in the residential communities of the region are the following:

Mrs. John Gompertz, Orinda; Mrs. George Madden, Walnut Creek; Joe Shockey, Ygnacio Valley, Mrs. George Houghton, Lafayette; James Thompson, Pleasant Hills; Ray McCoy, Diablo-Alamo-Danville Area.

WALTER N. BOYSEN of Orinda, well-known paint manufacturer, has accepted the chairmanship of the advance gifts committee for the joint finance campaign, while Roland G. Saysette, Walnut Creek, will head the general publicity committee for the drive.

General supervision of Scouting in the Diablo Valley area is in the hands of two persons: Ann Christie, executive of the Girl Scout Council, who has her office at 3620½ Mt. Diablo Boulevard, and John Youmans, district executive of the Mt. Diablo Council, Meridian District Boy Scouts, who resides at 2069 Ahneita Drive, Sherman Acres.

Scouting, which emphasizes personal service through the "good turn," has a membership in this area of nearly 2000 Cubs, Boy Scouts and Explorers. There are 1800 girls in the area who are members of the Brownies, Intermediates and Senior Girl Scout troops.

1st Birthday for 'Operation Houseparty'

A great big birthday cake with one candle on it is due the Mt. Diablo Chapter of the American Red Cross' "Operation Houseparty" on Sunday, which will be given to the 1000th boy to be entertained under "O. H.," who will also be on this trip.

The program is an outgrowth of the Red Cross program during the war, when residents had boys from Mare Island Hospital and kept them for a weekend. Mrs. Frank King of Happy Valley was in charge of the program at that time.

THE PRESENT streamlined version brings boys by bus to homes about noon on Sundays, and returns them to the bus at 9 that night. It was started when it became evident to the workers of the Mt. Diablo Chapter of A. R. C. that the Camp Stoneman Hospital patients were begun.

ITS EFFECTIVENESS as a morale booster has been cited many times by the Red Cross personnel at the hospital. The doctors at the hospital feel that the therapeutic results have been invaluable. Interest in the project has been expresse by national headquarters of the American National Red Cross, which has asked for a detailed report on the mechanics of optration.

Under the entertainment and instruction section of Mt. Diablo Chapter, a woman who is a leader of her neighborhood is called. Some time the woman is willing to round up her neighbors for the designated date; otherwise, she may be willing to suggest names of neighbors who are "doers."

THE ARRANGEMENTS are rarely alike on any two Sundays, even when repeat performances are given in the same neighborhood. The type of group varies all the way from a Boy Scout Troop to entertainment by a single family of the entire 25 boys; twice the Tunnel Strip restaurants answered S. O. S.'s and gave the boys the best in the house, before sending them to a group who entertained thtm for the rest of the day.

Church groups and improvement clubs have been other sources of entertainment, but most often the arrangements are for from three to six to go to one home. Later the different units may congregate for a ball game or swim, or to play cards or games. At times, a group of girls will be invited to join the group for dancing and participation in the fun.

THE ONLY CONSTANT factor in the arrangements which apparently is necessary to insure a good time by all is for them to be away from the "step-children" of the service hospitals.

Oak Knoll Hospital, for instance, has a "Mothers' Club" which works to provide more and better entertainment facilities for the patients, many of whom are there for long periods of time. Being near a metropolitan area, donations and interest provide numerous television sets, radios, etc., which are not available to the camp hospital.

Being a "transit" hospital (caring only for ailmtnts which are of minor nature), with patients just returning of just about to go overseas, no group or individuals become interestetd in the patients for *any* length of time. It was to offset this "unglamorous" aspect and to offer relief to the patients cooped up in the dreary confines of the wards that "Operation Houseparty" was

Frog-man Thrills Are Yours–for New SUN Subs!

Now you can enjoy "Frog-man" thrills . . . without even leaving home.

Now you can be like a deep-sea diver as he explores the mysterious, unknown depths of the world's greatest oceans . . . without your leaving home.

For "Frog-man" swim fins and an underwater swim mask can be yours at no cost, thanks to an offer the SUN is putting into operation beginning right now! By securing just three new subscriptions to the Lafayette Sun, Orinda Sun or Walnut Creek Sun — or by turning in two new subscriptions and $2 in cash — you can obtain the fins.

And you can receive the underwater swim mask by just selling one new subscription to any of the SUNS.

Hi! Ho! Lets Have Fun at Annual Contra Costa County Fair at Antioch

Described as the most lavish and colorful fiesta ever presented in Northern California, this year's Contra Costa County Fair, under the sponsorship of the 23rd Agricultural istrict Association, got under way yesterday at Antioch.

The fair, which will last through Sunday, will present everything from a top-flight rodeo to a folk-dancing festival. Hirse shows, 4-H demonstrations and a "Cavalcade of Fairs" — a pageant with a cast of 300 persons — are all part of the many featurts scheduled.

Yesterday the fair opened with a "Kids' Day." A "Mulligan Sweepstakes and Mutt Review" was held for the youngsters. There was a martinett exhibition, and competitive events were held for the children.

ON TAP FOR TODAY are livestock judging at 10 a. m., domestic science judging at 10 a. m. also, and 4-H livestock judging and showmanship set for 3 p. m. and a dance at 10 p. m. art among the many other events scheduled for today.

One hundred and thirteen "amateur" cowboys, who make their living by riding the range and nit by following the professional rodeos, will compete in the rodeo set for tomorrow and Sunday. The rodeo, slated for 2:30 p. m. and 8 p. m. each day, will be held in front of the main grandstand, and will include four divisions of competing cowboys.

AMONG THE MANY features planned for Sunday are a mile-long parade, the California state bocci ball championship and the folk-dancing festival.

An unusual feature of the fair is that the admission price will entitle ticket holders to enter all of the fair's attractions at no extra charge.

"There simply isn't another county fair in California where visitors are offered so much fun and entertainment for $1," Henry L. Howse, president of the Contra Costa County Fair, stated.

BESIES HOWSE, fair officials include: A. M. French of Brentwood, vice-president; Supervisor W. G. Buchanan, Pittsburg; Frank L. King of Lafayette, George H. Cardinet Jr., of Concord, D. E. Little of Antioch, Joe Mendez of Brentwood and E. O. Mitchell of Martinez.

Honorary statt officers of the fair include Governor Earl Warren, Director of Finance James F. Dean, State Senator George Miller Jr., Assemblyman Robert L. Condon of Walnut Creek and A. E. Smider of the State Division of Fairs and Expositions.

Art Group's Tour Sunday: Brooks Exhibit to Open

Sunday's swim pool tour sponsored by Outdoor Art Shows, Inc., will get under way at 2 p.m., when ticket holders meet in front of the Artists Market, 1045 Stuart Street, Lafayette.

A one-man art show at the Artists Market featuring the paintings of Leonard Brooks will also begin Sunday ,under sponsorship of Outdoor Art Shows. This display will be open to the public from 1 to 4 every Thursday and Friday afternoon throughout August.

HOURS OF SWIMMING for Sunday's tour will be from 2 to 6 p.m. When ticket holders gather at the Artists Market, they will be given a map showing the entire tour. All pools may be visited.

Purchase of an additional ticket will enable swimmers to join in a buffet supper after the tour.

Among the pools to be included in the tour are those of the Henry J. Kaisers, the Harvey B. Lyons, the Forrest Engleharts, the Will Halls, Dr. and Mrs. Alvin Powell, Dr. and Mrs. Jack Abbott, the Richard Perrin Graves', Dr. and Mrs. John M. Ellis, the Vad Jeltons, the Jack Nobles and the Melvin Jacobus'.

Forrest Engelhart, Jack Noble, Richard Graves ,Dr. John Ellis and Will Hall will serve refreshments. They will be aided by Ray Garrett, Lester Scharmer, Pillip Merrill and Ed Barnett.

SERVING THE BUFFET supper will be Mike Busby, Dr. Clark Lentz, O. L. King, Duncan Knudsen and M. B. Plant.

Mr. and Mrs. Frank Brown and Mr. and Mrs. Michael Czaja will act as hosts during the tour.

Complete plans for the Fourth Annual Outdoor Art Show, set for September 5, 6, 7 and 8, are now being made. The homes of Harmon Howard and Peter Howard in Walnut Creek will house the art exhibits .

Mrs. Peter Howard is a past president of Outdoor Art Shows, Inc.

RECORD ASSESSMENT

Insurance companies doing business in California will pay $29,215,-416 in taxes in 1952, a record assessment, surpassing 1951's previous all-time high by $3,932,695, James H. Quinn, Second District member of the State Board of Equalization, stated.

Young GOP Sets Picnic-Rally

Want to get into the political swim? Want to wave a wet towel and caucus over a barbecued beef fresh from the Chicago stockyards?

On a higher plane, want to meet John Baldwin and Don Doyle, and hear Dempster Drowley explain where YOU fit into the November election activities?

Then, according to the Contra Costa County Young Republicans, the place for you, come Saturday, August 9, is the Harvey B. Lyon estate in Lafayette, where Young Republicans will converge from 2 to 9 p. m. to swim, eat and be advised as to their participation in the campaign.

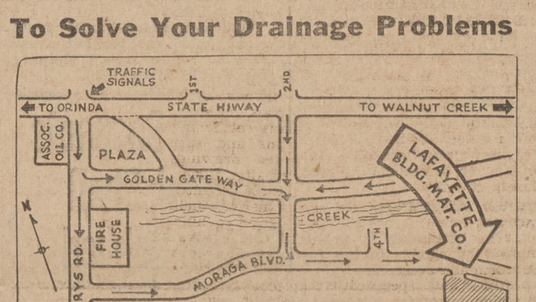

Reservations are in order . . . in Orinda, make yours with Duane Neuenschwander, 26 Claremont, Orinda 8110; in Lafayette, with Bob Whittaker; in Walnut Creek, with Karl Wickerath; in Pleasant Hills, with Don Kientz.

Plan L.I.D. for Overhill Road; Hearing Aug. 21

Plans for a new Local Improvement District, to cover some 26 lots in a section along Overhill Road, are being made by the Central Contra Costa Sanitary District.

Resolution of intention to establish L. I. D. 27 was passed by the district board last week, and August 21, 8 p.m., was set for hearing on plans and proposed boundaries. The hearing will be at the district office at 1822 Mt. Diablo Boulevard, Walnut Creek.

AS DESCRIBED by District Engineer Gerry Horstkotte Jr., the proposed L.I.D. will be along Overhill Road from Anne Avenue on the east to Moraga Estates on the west, extending north from Overhill for the depth of one lot and extending south from Overhill for varied lot-depths.

Five lots of the Broadview Tract, east of Martha Road, would be included.

THE SANITARY BOARD also passed a resolution modifying the original resolution of intention for L.I.D. 22 (Sleepy Hollow), where according to Horstkotte, construction has been virtually completed.

The amendments enacted, Horstkotte explained, were mainly to accomodate individual property owners where alignments were shifted in the course of construction.

Print, Slide Meet Held by Camera Club

The Contra Costa Camera Club held its regular monthly print and slide competition on July 22 at the Orinda Community Church with Ben Randall acting as judge and critic.

His selections were: Beginners' Class — Dick Allman first, third and fourth, and Barney Hedberg fifth.

In the advanced class — Dick Fender, first; James Hokanson, second, fourth and fifth; Guy Spencer, third.

In the color class — Ed Nelson, first and third; Don Hanson, second; Dick Allman, fourth, and Irene Spencer, fifth.

The club will have a combined field trip and family picnic at Niles Canyon on September 7. The date for the annual dinner at which new officers will be installed and awards made for work done during the last fiscal year has been moved up from October 14 to September 26. The dinner will be held at Orinda Roost.

Two new members were accepted at this meeting, Lulu Osgood and Barney Hedberg.

The Northern California Council of Camera Clubs will hold its August inter-club competition on August 22. The meeting will be under the auspices of the Contra Costa Camera Club and will be held at the Orinda Community Church. All interested persons are invited to attend.

Girl Scouts To Present Afghan To Red Cross

Presentation of a hand-knitted afghan to the Mt. Diablo Chapter of the American Red Cross will be made either Tuesday or Wednesday by members of Girl Scout Troop 58 of Orinda.

The story behind the presentation of the afghan goes back to the days when the group was first organized.

WHEN THE GIRLS started as a Brownie troop four years ago, they decided to do something outstanding for others less fortunate than themselves.

Each year they have made Easter baskets, Christmas stockings and birthday gifts for the children of Weimar Sanitarium. They have made cloth scrapbooks and paper Christmas books for the children of Shrine Hospital, and they collected over six large cartons full of comics and paper covered books for the hospital patients at Camp Stoneman.

NOW THEY ARE most proud of their colorful afghan which is to go to the amputee ward at Oak Knoll Hospital. Neighbors and friends of the girls contributed odd bits of yarn for this endeavor.

With all 14 girls participating, top honors for knitting the most squares and collecting the largest amount of yarn goes to Myrna Decker, Sheri Elder and Linda Lancione.

Other girls in the troop are Joan Hoyer, Babette Ambler, Jeanne Slusser, Jinny Matey, Bonnie Miner, Pat Wilke, Sally Stewart, Mary Foster, Freddie Lamb, Patsy Murphy and Julie Allen.

CALENDAR OF EVENTS

FRIDAY, AUGUST 1

Dr. Whiston's Topic – 'Meaning Of Communion'

At the Communion Service for St. Stephen's Episcopal Church on Sunday morning at 8:45, Dr. Charles F. Whiston will speak on "The Meaning of Communion," at the Orinda Community Church building.

Stan Stadham will again be guest soloist, singing "Come to Me," arranged from Ludwig von Beethoven's "Moonlight Sonata." Mrs. T. J. Fahay will offer the organ selections, "It Is Enough," an aria by Mendelssohn, and Postlude in B Flat by Volckmar.

IN RESPONSE to many requests, Dr. Whiston's new book, "The Ministry of Jesus," has been added to the St. Stephen library. Published only last year, "The Ministry of Jesus" was written as a companion book to "Teach Us To Pray," the Whiston writing which has attracted wide national attention. The new book is a critical study and revotional reading based on the four gospels and has been procured for the use of St. Stephen's members by Mrs. William Maddock, library director.

For the purpose of setting up the Women's Auxiliary hospitality plans for the coming year, Mrs. M. E. Spaght, chairman of the hospitality committee, and Mrs. Robert L. Bigler, newly-appointed telephone committee chairman, met with members of their committees.

Auxiliary meeting programs have already been approved, a series of outstanding speakers being invited for the new season at St. Stephen's

Easy on your nerves, easy on your pocketbook — that's shopping at home! Patronize your hometown merchants — save time and money.

Rev. Fred Morrow Home Today

Rev. Fred Morrow returns today from Colorado Springs where he has been for the past month attending a summer course for ministers.

On Sunday, at 10:30 a. m., he will be in the pulipt of the Orinda Community Church. The subject of his sermon will be "Three Ways To Look at Life."

Mr. Daniel Popovich will be the organist, and Mrs. E. T. Fahy, soloist, will sing "The Lord Is My Shepherd," by Malotte.

Johnsons Back Home

Dr. and Mrs. Clifford Johnson of Charles Hill Road and their two daughters, Judy and Sally, have just returned from a two-week vacation at Lake Tahoe.

During the first week of the vacation Marianne Somers visited Judy. The week was spent water skiing, boating and swimming.

Dr. Johnson spent most of his time fishing and had pretty good luck.

STORK CLUB

STEPHAN WILLIAM WOLFF

Stephen William Wolff, son of Mr. and Mrs. Albert Wolff of 6 Tarry Lane, was born in Oakland's Merritt Hospital July 30. Stephen weighed six pounds, two ounces at birth. He has as siter, Judy, 6, and a brother, Dick, 2.

CHRISTOPHER FRANK MEYER

Sergeant and Mrs. Fred Meyer welcomed a new addition to their family Wednesday, July 23, at Letterman Hospital in San Francisco, where Sgt. Meyer is stationed. He is called Christopher Frank Meyer, and upon birth weighed 5 pounds 9 ounces.

Mrs. Meyer is the former Barbara Smith of the Potters Wheel. She and the baby will stay at her parents' home for a few weeks.

Bridal Shower Given

A bridal shower in honor of Pat Muldoon was given last week by Mrs. Lucille Ting of 245 Orinda Highway, and her daughter, Mrs. Louise Fredericks of Berkeley.

Miss Muldoon, formerly of Walnut Creek, is now a resident of Sacramento. She is an Acalanes High School graduate.

Mel Nielsen Talks to Rotary

Mel Nielsen, Lafayette Rotary Club member, spoke to members of the Orinda Rotary Club during their weekly luncheon meeting Wednesday at the Willows.

Nielsen reported on highlights of his recent trip as a delegate to the Rotary International Convention in Mexico City.

Merle Brown acted as program chairman during the meeting.

Next week, Harvey B. Lyon of Lafayette will address the Rotary Club. His talk will be on "Certain Aspects of Rotary."

Lyon is a member of the Oakland Rotary Club and has a record of having never missed a Rotary meeting in 28 years. Although he often travels abroad, Lyon makes up the meetings he may miss by attending the ones in the countries he is visiting.

Lyon's son, Dr. Harvey B. Lyon, a member of the Orinda Rotary Club, will introduce him.

Sue Fowler on Farm

Susan Fowler is spending her summer school vacation with her grandparents, the E. J. Fowlers of Oshkosh, Wisconsin, who have a modern dairy farm. She went with the fowlers on a fishing trip to Eagle Lake in the northern part of the state where all had a wonderful time.

LEGAL NOTICE

ORDINANCE NO. 726

AN ORDINANCE PROHIBITING PARKING UPON A CERTAIN PUBLIC HIGHWAY IN THE COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA, IN THE VICINITY OF ORINDA

The Board of Supervisors of the County of Contra Costa, State of California, do ordain as follows:

SECTION I: It shall be unlawful for an operator of any vehicle to park or stand such vehicle, whether attended or unattended, at any hour, on that portion of County Road No. 2545 described as follows:

Commencing at the intersection of El Ribero and Camino Sobrante, as shown on the map of "Haciendas Del Orinda," then westerly along Camino Sobrante south six hundred feet (600') to the end of said no parking, zone.

SECTION II: The Road Commissioner is directed to designate said "No Parking" area by placing appropriate "No Parking" signs along and upon said "No Parking" zone.

SECTION III: Any person violating any of the provisions of this ordinance shall be punished upon a first conviction by a fine not exceeding Fifty Dollars ($50) or by imprisonment in the County Jail for not exceeding five (5) days, and for a second conviction within a period of one year by a fine of not exceeding One Hundred Dollars ($100) or by imprisonment in the County Jail for not exceeding ten (10) days, or by both such fine and imprisonment, and for a third or any subsequent conviction within said period of one year, by a fine of not exceeding Five Hundred Dollars ($500) or by imprisonment in the County Jail for not exceeding six months, or by both such fine and imprisonment.

SECTION IV: This ordinance shall take effect thirty (30) days after the date of its adoption, and prior to the expiration of fifteen days from the passage hereof, shall be published at least once in "Orinda Sun," a newspaper of general circulation, printed and published in the County of Contra Costa, State of California, together with the names of the members voting for and against the same.

The foregoing ordinance was passed and adopted by the said Board of Supervisors of the County of Contra Costa, at a regular meeting of said Board held on the 22nd day of July, 1952, by the following vote:

AYES: Supervisors — I. T. Goyak, H. L. Cummings, Ray S. Taylor, W. G. Buchanan, J. Frederickson.
NOES: Supervisors — None.
ABSENT: Supervisors — None.

By R. M. BILLECI, Deputy
O-256, Orinda Sun, Aug. 1, 1952.

LEGAL NOTICE

RESOLUTION OF INTENTION NO. 751

IN THE MATTER OF THE CONSTRUCTION OF SANITARY SEWERS AND APPURTTENANCES IN LOCAL IMPROVEMENT DISTRICT NO. 27

RESOLVED by the District Board of the Central Contra Costa Sanitary District that it is the intention of the said District Board to order the following work to be done and improvements to be made in above local Improvement District in the Central Contra Costa Sanitary District, County of Contra Costa, State of California, to-wit:

Construction of sanitary sewers and appurtenances.

Such above mentioned work being more particularly and specifically set forth and described in the plans, profiles and specifications for said work heretofore adopted by the District Board of the Central Contra Costa Sanitary District by its Resolution No. 747 which plans, profiles and specifications are hereby referred to for all particulars in connection therewith and by reference made a part hereof.

The public streets in which said work is to be done are shown and delineated in detail and specifically located on the plans hereinabove referred to, and reference is herby specifically made to said plans, and notice is hereby given to all parties that specific locations thereof are contained in said plans: Such locations being:

In the following streets in said Sanitary District and in said Local Improvement District as they and the proposed work in relation thereto are shown on Sheet 1 of said plans and specifications:

OVERHILL ROAD, from Engineer's station 0 plus 25 to be located therein at its intersection with the western boundary line of Moraga Highlands, Unit No. 1; thence along the center line to RI 1 to be located in Overhill Road, 20 feet easterly from its intersection with the southern extension of the line between Lots 21 and 22 as said lots are designated on that certain map entitled "Moraga Highlands, Unit No. 1, Contra Costa County, California," which map was filed June 22, 1945, in the office of the Recorder of Contra Costa County, State of California, in Volume 27 of Maps on pages 54 and 55.

HIGHLAND COURT, from its southeastern extremity at its intersection with Overhill Road, to RI 2 to be located in Highland Court, 10 feet northwesterly from its intersection with the northeastern extension of the line between Lots 6 and 7 of said Moraga Highlands, Unit No. 1.

ALSO, the construction of sanitary sewers and appurtenances, in accordance with said plans and specifications outside of said Local Improvement District No. 27 and inside of Local Improvement District No. 14 and in the following street within said Sanitary District as they and the proposed work in relation thereto are shown on Sheet 1 of said plans and specifications.

OVERHILL ROAD, from MH 1 to be located therein 25 feet westerly from the western boundary line of Moraga Highlands, Unit No. 1 to Engineer's station 0 plus 25 to be located at the intersection of Overhill Road with the western boundary line of Moraga Highlands, Unit No. 1.

The office of the Recorder referred to hereinabove is the office of the Recorder of the County of Contra Costa, State of California, and Official Records and file numbers hereinabove referred to are Official Records and file numbers of said Recorder. The letters MH and RI herein used refer to and mean Manhole and Rodding Inlet, respectively.

In the foregoing descriptions, the width of all easements described by reference to a center line is measured at right angles.

In the foregoing descriptions, wherever right-of-way, easement, street, or other public way is described wherein work is to be done, it is the intention that said work shall also be extended so as to connect the same with existing sewers or sewer work to be constructed nearest to said right-of-way, easement, street, or other public way, and at the point in said proposed work where a manhole; rodding inlet, or other construction is shown on said Plans therefor, unless otherwise shown thereon.

BE IT FURTHER RESOLVED that such sanitary sewers and appurtenances be constructed in said streets or public ways hereinabove described, of the dimensions, materials, and in the particular locations set forth and shown on the plans and specifications and detailed drawings hereinabove and hereafter referred to; together with the construction of all appurtenances thereto, including necessary fittings, trenchings, grading and regrading, excavation and fill, removal of obstructions, connections to existing services, back filling, reconstruction of existing ground surface as required to conditions existing prior to commencement of construction, all in the manner, of the materials and to the dimensions and to the grades, and in the particular locations as the same are more fully shown on the plans and specifications and detailed drawings hereinabove and hereafter referred to;

That the structures and work and improvements herein described shall be constructed to the grades, sub-grades and elevations severally shown upon the plans and profiles and detailed drawings thereof in the respective locations thereof, to which plans and profiles reference is hereby expressly made for a description of the grades to which all of the work and improvements under this Resolution of Intention shall be done, which said grades are hereby adopted and established as the official grades therefor for all purposes in connection with proceedings pursuant to this Resolution of Intention; notice is hereby further given that said grades are or may be, in part, new and different from those heretofore established or existing, or may be, and in some cases are, different from existing ground levels;

All of said work and improvements shall be done to the lines and grades as shown on the plans and profiles and in accordance with the plans and specifications heretofore referred to for the doing of said work and improvement, and which are now on file in the office of the Secretary of the District Board.

Excepting from all of the herein described work all of said work that has already been done to the lines and grades shown on said plans and profiles, and in accordance with said plans and specifications;

The attention of all persons is directed to the fact that all of said classes of work above described may not be constructed upon all of the streets and/or public ways above described in their entirety, but only upon the particular locations as shown on the plans and specifications, to which the attention of all persons is directed for a description of the work, location of the several classes of work, a description of the classes of work to be done upon each of the several public streets or rights-of-way named, a description of the streets and rights-of-way, and for all other information contained in the said plans and specifications pertinent to the doing and completion of the work and improvements herein proposed; and

WHEREAS, said contemplated work and improvements, in the opinion of this District Board, is of more than local or ordinary public benefit, said District Board hereby makes the expenses and costs of said work and improvements chargeable upon a district, which said district said District Board hereby declares the district benefited by the work and improvements herein described; and which is to be assessed to pay the cost and expenses thereof; said district shall include that territory in the Central Contra Costa Sanitary District, County of Contra Costa, State of California, which is shown on that certain plat or map on file in the office of the Secretary of the District Board, and which is set forth as the "Map Showing Proposed Assessment District Boundary for the Improvement of Local Improvement District No. 27 in Resolution No. 748 of the District Board," and which said map or plat indicated, by a boundary line, the extent of the territory included in the proposed district and covers all details as to the extent of the area to be assessed; said map or plat is, by this reference incorporated herein and made a part hereof:

Excepting from the area shown and delineated on said map or plat, hereinabove referred to, the area of all public streets, avenues, lanes, roads, drives, courts, places, public parks, and all easements and rights-of-way therein contained belonging to the public.

That the proceedings for said work and improvement shall be had and taken under and in accordance with Division 7 of the Streets and Highways Code of the State of California ("Improvement Act of 1911.")

NOTICE IS HEREBY GIVEN that the Health Officer of said County of Contra Costa has recommended in writing to said Board that said proceedings for said work be instituted as a necessary health measure, and said Board heretofore ordered said recommendation spread upon the Minutes of said Board and by Resolution adopted by the affirmative vote of four-fifths of the members of said Board found and determined that such necessity exists.

That serial bonds shall be issued pursuant to Part 5 of Division 7 of Streets and Highways Code (Improvement Act of 1911) to represent the unpaid assessments of Twenty-Five Dollars ($25.00) or over for the cost of said work, said bonds to bear interest at the rate of SIX PER CENT (6%) per annum, to extend for a period of nine (9) years from the second day of January next succeeding the next October 15th following their date, and to be payable in annual installments the last installment thereof to mature nine (9) years from the second day of January next succeeding the next 15th day of October following their date, said bonds and the interest thereon to be payable as provided in said Code.

That Thursday the 21st day of August, 1952, at the hour of 8:00 o'clock p.m., of said day, and at the meeting place of said Board, 1822 Mt. Diablo Boulevard, City of Walnut Creek, in the County of Contra Costa, State of California, be and the same are hereby fixed as the time and place, when and where any and all persons having any objection to the proposed work and improvement, the grades thereof, or to the extent of the district to be assessed, or all thereof, may appear before said Board and show cause why said proposed work should not be carried out in accordance with this Resolution of Intention, and may present written protest, not later than the hour hereinabove set for hearing, against the doing of said work, the grades thereof, or to the extent of the territory to be assessed to pay the cost and expenses thereof.

That the Engineer of said District shall cause to be conspicuously posted along the line of said work and improvement, in the manner and form required by law, notices of the passage of this Resolution.

That the Secretary of said Board shall certify to the passage of this Resolution and shall cause the same to be published twice, as required by law, in the Orinda Sun, a newspaper published and circulated within said District and hereby designated for that purpose by said Board. The first publication of said notice shall be not less than ten (10) days prior to the date herein fixed for hearing on this Resolution of Intention.

Said District Board does hereby direct its Secretary to mail notices of the adoption of this Resolution of Intention postage prepaid to all persons owning real property proposed to be assessed for the work herein described, whose names and addresses appear on the last equalized assessment roll for taxes of the County of Contra Costa or as known to the Clerk, the contents of said notices and preparation and mailing to be as required by law, and to be completed at least fifteen (15) days prior to such hearing.

PASSED AND ADOPTED by the District Board of CENTRAL CONTRA COSTA SANITARY DISTRICT of Contra Costa County, State of California, this 24th day of July, 1952 by the following called vote:

AYES: Members — Malott, Smitten, Toland, Wadsworth.
NOES: Members — None.
ABSENT: Members — Johnson.

H. W. TOLAND
President pro tem of the District Board of Central Contra Costa Sanitary District of Contra Costa County, State of California.

COUNTERSIGNED:
H. M. SMITTEN
Secretary of the District Board of Central Contra Costa Sanitary District of Contra Costa County, State of California.

Ted Hall's Medal Received by Dad

Theodore E. Hall of 907 Moraga Road has received the Silver Star which was awarded posthumously to his son, Private First Class Theodore K. Hall, for gallantry in action while a member of Company C, Seventh Cavalry Regiment, First Cavalry Division, on October 26, 1951, near Sangok-tong, Korea.

The citation states:

"During Company C's assualt on well-fortified enemy positions, Private Hall repeatedly exposed himself to enemy fire in order to maintain radio communications with the command post. Observing a hostile emplacement that offered heavy resistance to friendly troops, he slung his radio upon his back and courageously attacked the position with grenades, neutralizing it.

"On learning that the squad leader in his vicinity had been killed, he unhesitatingly took command and skillfully led the men in a continuation of the attack.

"Private Hall fought the enemy in a bold and fearless manner until mortally wounded the following day. His gallantry reflect the highest credit on himself and the military service."

Lafayette Youths Visiting Europe On Naval Cruise

Two Reliez Valley youths are now visiting France and Portugal during their summer training in the Navy's annual midshipmen cruise. They sailed from Norfolk, Va., on the U.S.S. New Jersey July 18.

The two midshipmen are John E. Wahl, son of Mr. and Mrs. Albert Wahl of Echo Springs Road and Thomas R. Smith, son of Mr. and Mrs. Charles R. Smith of Hollywood Road.

BOTH YOUTHS will be sophomores at the University of California this fall, and are in the regular Navy unit at the university. They are among the 1800 students from all over the United States who won places as midshipmen in the Navy's competitive examinations last year. These exams were taken by 30,000 youths.

John and Thomas both were classmates at Acalanes High School, where they graduated in 1951. Both are formerly from Berkeley.

THEY ARE EXPECTING to get liberty at Cherbourg and at Lisbon. Conducted tours have been arranged for them in Paris, Mont St. Michel, and other points of interest.

John is the nephew of Attorney Robert Eshleman of Lafayette. Thomas' father was an Annapolis graduate in 1928.

Keith Endersby Named Delegate to Sigma Nu

Keith Endersby, son of Mr. and Mrs. Victor A. Endersby of Lafayette Woodlands has been chosen by his fraternity brothers, at San Jose State College as a delegate to the Sigma Nu Grand Chapter, August 27 through 30, at the Grand Hotel, Mackinac Island, Mich.

Keith is a member of the junior class at San Jose State and is majoring in engineering. He is past president of his fraternity and a member of the water polo varsity.

An ardent outdoor sportsman, Keith has canoed extensively in British Columbia and Alaska.

He attended Acalanes High School where he participated in swimming and football.

Ferrarese Family Back from Vacation

Mr. and Mrs. Hugo Ferrarese of Marianne Drive returned home last week from a 10-day fishing and camping trip at Scott Valley, Klamath National Park, near Yreke.

"Fishing was great," the Ferrarese family reports.

Local Men Aid In Lifesaving Try

William R. Mickleberry of Walnut Creek and George Talbott, Dr. Joseph H. Lorber and Mervin O. Bradley, all of Lafayette, made a gallant but futile attempt to save the life of Carl A. Ganz of Woodland as his drowned body was pulled from the waters at Clear Lake recently.

Until the arrival of a portable iron lung, the four men applied artificial respiration to Ganz. However, Ganz was finally pronounced dead two and a half hours after being brought ashore.

He had gone swimming with his 10-year-old son shortly after eating a large meal, according to witnesses. A lifeguard rescued the boy but was unable to save the father.

The four local men had flown to Clear Lake to attend a Lions Club barbecue.

Rev. Ed Harris At Covenant Church Sunday

Rev. Ed Harris from the "Neighborhood Church" of Oakland will be the speaker at the Lafayette Covenant Church this Sunday. Rev. Harris is a well-known youth leader.

Communion Service will follow the morning service, with Rev. Carl Bolin in charge.

Rev. Bolin will speak at the evening service. Rev. Bolin was the interim pastor before Rev. Peterson came to Lafayette. He is now the Sunday school superintendent.

The Women's Society of the church held a potluck at Pacheco Park recently, with their families as guests. The potluck was held in place of the regular monthly meeting. Everyone had a good time.

Virginia Blair Gives 1st 'Voice Workshop'

Virginia Blair of Lafayette, prominent singer and president of the Contra Costa Branch of the Music Teachers Association, gave the first of her voice "workshop" series at the home of Mrs. Peg Winters of Orinda last week.

Along with Miss Blair and Mrs. Winters, Clara King Floyd, Lucas Fredman, Dorlesca Palmer and Carla Gambino are participating in the workshop.

Mrs. Winters is the accompanist for the group, which plans to meet each week in her home.

Operation Skywatch Entering 4th Week But Lafayette-Orinda Still a Blank!

By ALVIN GUTHERTZ

As the civil defense "Operation Skywatch," 24-hour around-the-clock activation of air spotter units throughout the nation enters its fourth week of operation Monday, the entire Lafayette-Orinda-Canyon-Moraga, area will still be blank and not participating!

It had been reported that an air spotter site might be selected somewhere in or near Lafayette . . . as yet, nothing has so far been accomplished.

IT HAD BEEN reported that nearly 600 volunteers were needed to man the air spotter station . . . only a handful have so far offered to give their time.

Acting almost entirely on his own, the post supervisor for this area, Commander M. Blaine De Leshe, U.S.N., retired, has received little, if any, help from people in this area.

IN SHARP contrast to the failure to date in this area, in Concord a 20-foot plane-spotting tower has been erected through the joint cooperation of local labor and business groups and the City Council.

The watch-tower is manned day and night by volunteer ground observers. It has a glass-enclosed "dog-house," telephone, heater and electric lights.

IN DANVILLE, the "Operation Skywatch" has gone over 100 per cent. Each day, more volunteers have signed up, and by last week there was only 10 blank spots left on the weekly schedule.

Air spotters are standing two-hour watches. No one is allowed to serve longer unless he has arranged with a neighbor on watch.

ALTHOUGH WALNT CREEK has no ground observer post, City Attorney John Nejedly began organizing civilian defense activities this past week.

Recently the Walnut Creek City Council included in its tentative budget an item of $1200 for Civil Defense.

AS SOON AS an air spotter site is picked for this area, Commander De Leshe must have the needed volunteers.

Persons interested are urged to contact De Leshe at Drake 6-8697, and Mrs. William Gordon, who may be phoned at Orinda 8852.

Haases Back from Mexican Journey

Mr. and Mrs. E. H. Haase of Mt. View Drive returned home recently from Mexico. Mrs. Haase was there 10 weeks, spending most of the time in Cuernavaca, and was there during the elections.

Mr. Haase was in Mexico for three weeks. He flew to Guatemala, where he visited friends for a week.

The Haases met Dr. and Mrs. Lloyd Zumwalt of Pine Lane during Ambassador O'Dwyer's reception in Mexico City.

Shierry Fmily Home From Vacation Trip

Mr. and Mrs. Jim Shierry and their three children returned home recently from a two-week auto trip to Bozeman, Mont.

While at Bozeman, the Shierry family visited Mrs. Shierry's mother.

Dr. Carl Huffaker Collects Beetles

Dr. Carl B. Huffaker of Madrone Drive recently supervised the collection of 27,000 Klamath weed beetles which are to be shipped to the farmers of Chile.

The beetles were collected in Lake County, Amador County and Santa Cruz County.

They were originally brought to this country from Australia in 1946 as a combat against the growth of the Klamath weed.

Motts Take Journey

The William Penn Mott Jr. family recently enjoyed a three-day motor and camping trip.

They drove first to the Congregational Camp at Cazdero and picked up Billy, who had been there with the Pilgrim Fellowship group. They thought this camp a beautiful and well-appointed one. Then all, including Nancy's friend Ginger Ketsdever, drove on to Lake Pillsburg in upper Lake County. They found this a delightful, yet uncrowded camp, and one most of the public has not heard about.

About our happy Country Folks

By EDITH BOLMAN

MR. AND MRS. DONALD LAWRIE and son Jimmie are home after an interesting and educational trip to Canada and way points. By educational we mean that builder Lawrie had his weather eye peeled for architectural and building ideas in the quaint British type of country cottage to be seen, particurlarly on the San Juan Islands.

And speaking of keeping your "weather eye peeled," isn't that the all-time horrible expression?—but you know how we are—once we get a running start on this typewriter we can't stop, retrace our steps, or make any changes, so, there we are, left with it.

But to recommence, on June 24 they drove to Seattle. On the way they stopped to fish on the beautiful Rogue River in Oregon, where, of course, it rained everything on them but the fish they sought.

In Seattle they visited the Donald Zimmermans, the "he" of which raced a swift-sure" boat in the four-day Pacific Coast Championship Regatta on Lake Washington and Puget Sound and came in second. Following same, they all celebrated with, and put on weight by, an "elegantish" Luau and dance at the Seattle Yacht Club.

Then off to Canada—such places as Nanaimo, Shawnigan Lake, Victoria and Vancouver. Being typical Orindans, they ran into some Conrta Costa friends—the Chauncey Ponds and their children.

Observations: Generally speaking, the farms and homes are not as affluent as ours; in restaurants there is an extra charge for butter, crackers, roll, etcetera; the only shiny new cars on the roads had California licenses. Anyway, the scenery was magnificient and it was a great thrill to ride in a boat among the San Juan Islands, where you could almost reach out and touch the picturesque little houses and well-kept barns.

On the way home, with the Rogue experience ever-rankling, no doubt, they took enough time to catcah a 37½-pound King salmon at Hope Island — put it to bed in the Zimmerman's deep freeze, and when Mr. Z. flies down soon he will escort fishy as far as the Lawries' deep freeze. Not to be outdone, small son Jimmie caught a six-inch trout which may have ended up alongside his more impressive friend in the deep freeze.

On the way home, too, they ran into temperatures ranging from 99 degrees to 110 in Oregon, which should substantiate those stories about weather changes on the West Coast because during all of our quarter of a century in Oregon we never heard of anything as high as 110.

SHOWER—NOT RAIN.—Baby shower for Mrs. Calvin Hagstrom at the Orinda Country Club. The hostesses were Mesdames James Read, Thomas Moore, Frank Silva, Carl Smith and William Arrends.

MRS. D. LAMB AND DAUGHTER LENNIE are just home from an idyllic three weeks at Mrs. Lamb's father's ranch in Mendocino County. Idyllic because:

They gathered choice wild raspberries for jelly (Mrs. L made the jelly which isn't exactly our idea of an idyllic way to spend the summer; however, we can't let that one little item spoil our story.)

They gazed out of windows at the pastoral scene of rolling hills and grazing sheep.

They barbecued, and they swam in the stream which runs through a redwood grove where the deer come to take a little nip, too—one doe and her two fawn were daily visitors and became quite chummy (incidentally, we can't find the plural of fawn in our dictionary but we trust it isn't fawns because then we woudn't be able to resist calling them fawnsies and just fancy what fun we could have with " the fawncy fawnsies, fauna of this favored farm, faltered in fairy fashion to finagle ther fare from this favored, fee-less feeder."

Lennie getting much fun out of breaking her year-and-one-half-old colt.

And then the all-time high—Uncle (forgot to use Uncle's name) became stuck in the mud in a tractor while doing something or other at the bottom of a pond — forgot to ask what Uncle was doing at the bottom of the pond, but anyway, Uncle and the tractor got most completely stucko with the water coming up as high as the seat (the tractor's, not Uncle's) so daughter Lennie hops into a truck — gets some tackle—and, what with one thing and another, fished Uncle and his automotive equipment out.

Just goes to show you what these Orinda young ones can do when it is necessary.

Not-so-idyllic: While the Lambs were away, Mother Pussycat got busy and presented the family with six kittens—part Persian and part alley— two gray, two black and two tigers—so if you would like any or all of same, just call Dorothy Lamb at 2212 and she will be charmed to pick out your favorite color and pass puss on to you.

MR. AND MRS. AMBROSE MacDONALD, Sally Drewry and Phillip Chapman spent the fourth of July with the Milton Selbys' at Tahoe. That news is a trifle late but we wanted to get it in anyway because Mrs. MacDonald said that the weather was beautiful, the Selbys' house was beautiful but their trip to Cal-Neva was something else again.

Mr. and Mrs. Sheldon Duncan are visting the Bay Area this summer. Mr. and Mrs. Harry Sutherland gave a cocktail party for them and Mr. and Mrs. Walter Boysen entertained with dinner.

Mr. and Mrs. Thomas Moore versus Mr. Yellowtail Tuna! It was a battle royal, and Mr. Fish almost absconded with Mr. Moore, boat, tackle and bait but, absconding being frowned upon, Mr. Moore made the final colossal effort and Mr. Fish is now in the deep freeze. Plans are being made to put Mr. Fish on the hot seat with an enbellishment of wine, parsely, butter and garlic, which sounds simply divine—but just what did Mr. Fisherman do in the pre-deep freeze period? Just sit down in the bottom of the boat and go to it?

Accompanying the Moores were Mr. and Mrs. Al Schmidt, and now, as though they hadn't had enough, the Moores, James Reads and William Ellermeyers and all their sons—amounting to seven, all told— and believe me, they have been "all told" plenty but that is not for this lady columnist to go into—are at Pinecrest at the "Lair of the Bear."

Bob Dwight and Bob Eberhart are off with the senior Eberharts for a camping trip at Bliss State Park near Tahoe.

WORD OF THE STEPHEN JENSENS. Judy Dunn just arrived home to report that they are all having a "super" time at Bainbridge Island on Puget Sound, where they are spending the summer. Golfing, swimming and boating in the famous Dorade, which belongs to Mrs. Jensen's brother Franklyn Eddy. Said Dorade is famous because she wins everything she gets herself into, including this year's Regatta and one of the races to Honolulu a few years back. Quite a thrill, says Judy, to take a ride on the lake because passers-by recognize the nifty little ship and wave a greeting.

One rip-roaring party was given by the Jensens involving a whole roast lamb plus spare ribs and the well-known amateur chef, Dr. Sellock, was on hand to prepare the fatted calf for the hungry horde of 50 people some of whom arrived in their boats.

We took a couple of boat rides ourself once and are well aware that to call a ship a boat when it could be a schooner, yet all the time you thought it was a canoe with an outboard engine, is a horrible sin. Then you can get all mixed uu with yachts, skiffs, rowbats, ferries and vessels, so please forgive us if we have spoken wrongly about the Dorade because we have the greatest respect for any ? with such an impressive history of accomplishment.

The K. Starling Simons and son Scotty have left for England, where they will live for the next two years.

Bay area friends of Mr. and Mrs. E. R. Holabird will be happy to learn they have moved to Orinda — bought the O. B. Miller home on Vida Descansada, which will undoubtedly take them two weeks to learn how to pronounce. Daughter Carol will go to Acalanes, daughter Sally will go to Orinda School and Mother Peggy will go to pieces if the curtains don't get hung pretty soon and the jam get put away in the cupboard. Then everybody will celebrate the arrival of this delightful foursome from the Southland.

ANY OF YOU WHO DON'T ALREADY KNOW about it will be interested to get wind of the Outdoor Art Shows, Inc. There is an Artists Market at 1045 Stuart Street, Lafayette (behind Boevers' Animal Hospital) —why not run up sometime while Rover is having his psychoanalysis?

There are exhibts and sales of the work of local artists and—like every other group—they need a little money—so the forthcoming event for said purpose is a swimming pool tour with a free swim thrown in, all for the price of $1. This Sunday at 2 p.m. you go to the Artists Market and see a preview exhibition of Leonard Brooks' paintings — then you get a little colored map of how to get to the swimming pools in the gardens of the followin people: Messrs. and Mesdames Henry J. Kaiser, Forrest Englehart, Harvey Lyon, Will Hall, Richard Graves, Jack Abbott, Jack Noble, Vad Jelton and Melvin Jacobus.

Cocktails will be served at each home, and somehow or other your ticket tells you where you may have your free swim—so—gather up your city friends who want to see how we Contra Costa Country Folk live and you can do some pretty fancy entertaining. For tickets call Mrs. John Ellis, Lafayette 3509, Clarence Busby, Lafayette 4888 or George Clifford at Orinda 2237.

THE WILLIAM GILMORES and children are moving to Orinda from Walnut Creek. Mrs. Gilmore is the ballet mistress named Winnie who teaches young ladies to pirouette, arabasque and pas de bas, and adult ladies to bend, stretch and grunt—so now Winnie has returned and you can wind up your muscles and whittle off your pounds while your young learn to twirl through the air with the greatest of ease.

Janet Lou Field Engagement Told

Janet Lou Field, daughter of Mrs. Wilson J. Field of Charles Hill Road and the late Mr. Field, has set September 20 as her wedding date to Patrick Monteith MacLeod-Elvidge.

Patrick is the son of Mr. and Mrs. George Macleod-Elvidge of Sanborn Road.

THE ANNOUNCEMENT was made at the bride-elect's home recently when Patrick gave his fiancee a corsage of flowers, with the betrothal ring inside the box.

Janet attended Aialanes High School, Marin Junior College and the University of Oregon. She is affiliated with Alpha Chi Omega Sorority.

JANET IS THE great-granddaughter of Mrs. Robert Wilson of Sausalito, who recently celebrated her 100th birthday. Her maternal grandmother is Mrs. P. C. Ashling of Seattle.

George is the grandson of Sir George Elvidge of Rye, Sussex, England, and of the Hon. R. L. Maitland (KC) of British Columbia. He is also the cousin of the present Earl of Lauderdale of Scotland.

Mrs. Dorr Here; On Radio Again

Mrs. John Dorr, formerly of Orinda and now living with her family and mother, Mrs. Harper Wright, in New York, has been here for a month, taking Emily Barton's 9:30 radio program, "Bess Bye," as she has done for the last three years during Miss Barton's vacation.

Mrs. Dorr, known to Orinda as "Our Mary," has been very busy attending luncheons and teas held in her honor. Among these was a get-together of her Orinda class in Hawaiian dancing recently at the home of Mrs. D. B. Woodcock. Present were Mesdames R. E. Bottjer, H. Harris and E. E. Schmitt. Mary showed them some new Hawaiian dances she had learned in New York.

Last week, Mrs. Dorr entertained at luncheon in the Berkeley City Club for a friend from New York and old friends of this area. Among those attending were Mesdames M. W. Loveland, E. E. Schmitt, R. E. Bottjer, Keen Pettengill, U. B. Smith, Fred Twining, J. McMullen and Ida Zamloch.

Mary attended Orinda Community Church on a recent Sunday and was pleased to see for the first time the new chapel and the new kitchen with its fine equipment, which were only in the being-planned-for stage when she was a church member and president of the Women's Guild.

Pilgrim Fellowship Members Hold Picnic

Swimming, folk dancing, social dancing and a barbecue were enjoyed by Pilgrim Fellowship members at their picnic yesterday at Orinra Park Pool.

Bob Ross directed the folk dancing, while music was supplied by Ben Randall Jr., who played the drums, and Dino Pozzobon and his accordion.

A highlight of the day was presentation of a wedding gift to Ray Fowler, who is advisor of the group. Ray plans to marry later this month.

Breuners at Tahoe

The Richard Brueners and their daughter Clare left last week to join Richard Jr. at Lake Tahoe.

Richard Jr. has had the time of his life these past weeks on board his cruiser, the "Whirlwind."

Back From Vacation

Mr. and Mrs. Orton Lucas of 325 La Espiral returned home last Friday from a one-month vacation at Feather River and Lake Tahoe.

Hawaiian Dance For Park Pool

The biggest social event of the Park Pool season has been scheduled for Saturday evening, August 9, starting at 8.

A mythical trip to Hawaii is the theme for a dance which will have a Hawaiian setting complete with William Tapia's orchestra. The orchestra comes direct from the Royal Hawaiian Hotel. The music will play all evening, with swimming and dancing around the pool.

MEMBERS AND THEIR guests must come dressed appropriately. A Hawaiian floor show is being prepared and refreshments will be served.

Reservations can be made by calling Marg Starkman at Orinda 2931. Jean Downs is acting as social chairman for the dance.

LAST FRIDAY, 60 teenagers danced to music supplied by Ben Randall with his drums and Dino Pozzobon and his accordion.

Mary Johns and Ray Littlejohn helped arrange the dance. Mr. and Mrs. Joseph Downs and Mr. and Mrs. Charles Gibbs acted as chapreons.

ON AUGUST 17, race competitions, which will help decide the Park Pool team for the meet with the County Club ond September 7, will be held. This will get underway starting at 2 p.m.

The next square dance and potluck dinner will be held August 22 at the Park Pool, starting at 8 p.m. Frank Olsen will call the square dances.

Silver Wedding For Jim Lucas'

Mr. and Mrs. Jim Lucas of 3 Monte Vista celebrated their silver wedding anniversary with 150 guests present at a garden party at their home last Saturday night.

The Lucas' six children, Jim Lucas Jr. and his wife, Bobbette; Vernon, Mary-Ann, Garrett, Judith and Randall, were all at the anniversary party.

Present also was Mrs. Rose Bradbook, who was maid-of-honor for Mrs. Lucas at her wedding, and Alfred Lucas, who acted as best man during the ceremony.

Judith Lucas, Janet Lucas and Mrs. Gena Lucas were hostesses for the evening.

A five-tiered anniversary cake was presented to Mr. and Mrs. Lucas by their eldest son, Jim Jr.

Clyde Bumgarner of Orinda sang the anniversary waltz. Music, dancing, and a buffet supper were enjoyed by the guests.

Circus Party for Kris Hecathorn

A circus party was held for Kris Hecathorn, daughter of Mr. and Mrs. Lloyd Hecathorn of 215 La Espiral, in honor of her fourth birthday recently.

A clown greeted guests at the door, circus flags and pictures decorated the entire house, and even the birthday cake had a circus atmosphere about it as it revolved around in a circle, looking very much like a merry-go-round.

Youngsters who attended the party were Jimmy Maddux, Carol Courant, Cary Woodcock, Jack Folliard, Vickie Brown, Peg Schmitt, Dough Harman, Rickey and Johnny Hale, and Milo-Anne Hecathorn.

The Hecathorn children were given a real treat while at Tahoe last month, when they were allowed to take a ride on a covered wagon.

Back From Nevada

Mr. and Mrs. Harry Biederman and their daughter Diane, of 5 Monte Vista Road, returned home last week after a short stay in Las Vegas, Nevada.

During their vacation, the Biederman family stopped at the Flamingo Hotel and the Dessert Inn in Nevada.

Students Given Counseling Tests

Students expecting to enter East Contra Costa Junior College in September yesterday took counseling tests at the school's temporary location at 1301 Alhambra Avenue, Martinez.

The tests were given for the purpose of aiding both students and college counselors to plan the educational program.

A final test is scheduled for August 28.

80 Tired but Happy Girl Scouts Back From Camp in Sierra Woodlands

On July 23, at the Lafayette Grammar School, 80 families of the vicinity were gladdened when 80 dusty, tired but happy girl scouts returned from the first two weeks' session of established camp at Sierra Woodlands, near Sierra Cith, the official Girl Scout Camp for the Diablo Valley Area Girl Scout Council.

The girls were eager to tell of their varied experiences, each girl having her own preference in regard to th activity offered by Miss Jeanne Christy, camp director, and her staff of counselors.

There was the tobogganing; a '49'er party complete with a turkey dinner; one girl liked the singing around the campfire each night best; another the seconds and even thirds of the good food cooked by "Sugar and Candy" the couple doing the cooking; there was the scrapbook each girl made out of plywood; the flag ceremonies; the chow mein dinner; "Girl Scouts Own" was held each Sunday and included choir singing, prayer and a Biblical scene.

General Campfire was held Sunday night and the girls were presented with different colored beads by Miss Christy, signifying the number of camping sessions of the girls, followed by skits and entertainment.

There was "lazy morning" when none could stir before 8 a.m.; and there was a progressive dinner when each unit served a course at it's own campfire.

The camp can accomodate 80 girls. Each girl takes her own sleeping bag, toilet articles, and aranges her own bed, along with her nest mate, and is responsible for it.

As soon as the girls get to camp, they are taken to the infirmary for inspection by the nurse; they are then divided according to age into four units of twenty girls each with four adult counselors to supervise each unit.

Each unit is then divided into four patrols for the purpose of helping with the various camp duties.

On Friday, another two bus loads of girls leave for the two-week encampment.

SPECIAL COURSES

San Jose State College now has a special extension division designed for business and professional people, according to Harold H. Seyferth, coordnator of extension services. A program of some 25 courses has been established for business and professional persons and their employees.

Danville

VETERANS!

How would you like to live in a new duplex in the most beautiful walnut orchard in Danville? If you know **'DANVILLE ESTATES'** that's the place. The price is $23,900, plus closing costs. You pay $1900 down, plus closing and move into a modern and beautiful apartment. Two bedrooms. Just completed. The other apartment is leased for $110 per month. You pay $133.30 per month, principal and interest on the whole loan at 4% less $110, or 23.30 per month, plus taxes estimated at $12 per month and insurance $4.44 per month. For $40 per month you get your apartment, have title to the building and accumulate an equity averaging $90 per month. In 20 years you own the property free and clear. **Phone Vernon 7-4100 for appointment. Owner 196 El Dorado Avenue, Danville Estates.** 8-1-1c

Know How to Improve Your Lawn 180% It Can Be Done! . . . Here's the Secret

By BERT WRIGHT

MOST FOLKS WHO TAKE PRIDE in their lawns feed the grass early in the spring. You know that your lawn grows thicker, greener and more luxuriant.

But do you realize that this one plant food application can increase the growth of your lawn by as much as 80 per cent? This was the approximate improvement over no feeding, on the average of five years' results at a midwestern agricultural experiment station.

That's a good improvement, you'll admit, but how would you like to improve it 180 per cent over no feeding at all?

YES, IT CAN BE DONE. The secret of it, according to these lawn tests, is right out of the book of your nearby turf expert — the golf course superintendent. He feeds his greens regularly, all summer long.

What **YOU** do is this: Feed your lawn, in addition to the spring application, with 2 to 3 pounds of plant food per 100 square feet in June, July and August — **and don't remove the clippings** unless they are very long and heavy.

The mulch so added and the fertility returned are responsible for more than half of the effectiveness of this program. Five-year average yields of clippings per 100 square feet tell the story in a capsule:

Here they are:

Treatment	Pounds of Clippings	% Increase in Growth
No plant food	132	0
Fed once in April	236	80
Fed in April, June, August	261	97
Fed in April, June, August, plus clippings	368	180

THE NUMBER OF times you will have to mow over and above the single feeding will increase but little; the big flush of growth is naturally in May and June.

And even without the benefit of extra feedings, youn need to mow the lawn throughout the summer to keep it from becoming scraggly looking!

Lecture On Japan

Edith Hagan, who has been a teacher in occupied Japan, will give a lecture and show slides on Japan during Monday's meeting of the Mentally Handicapped Children's Organization which will start at 8 p. m. at Luella Fuller School, 2141 Bancroft Avenue, San Leandro.

Spotlighting the Strip

By KITTY COLE

Don't the radio and television programs make dull listening and viewing after the exciting conventions? Business was "off" in most night clubs and restaurants, as the "regulars" deserted their local bistros in favor of evenings at home. Everyone seems to be so politically minded this year, and that's as it should be.

JOE COCO, one of the owners of PAUL'S VILLAGE, is a famous chef in his own right. He is one of the few in the country to have a recipe printed in LIFE MAGAZINE, (and you know how rarely they print that kind of thing) and he had the same recipe printed in SUNSET and has won many prizes for this dish. His speciality, a type of Caesar salad. Mm-mm-good.

S. O. S. has such a varied choice of entrees and at low prices. One couldn't begin to cook such a meal at home, for any-where near the cost. Try it, and see. Due to the problem of getting good and efficient help, they have had to change the policy of being open 24 hours, but on Fridays and Saturdays they are open until 3 a.m. and every other night (except Monday) until 11 p.m. What happens on Monday? Well, that's SIS and JACK CAPELLE'S day of rest.

RUSS BENNETT, currently at PLANTER'S DOCK, plays guitar and sings. A singer with guitar, makes a harmonious picture, and while many associate this picture with cowboy music, in RUSS'S case, it exemplifies modern dance music, at its best.

THAT DON THOMPSON ! ! After practically begging on bended knee, for some news about him, I get the same answer, "I'm not news." But after thinking it over, I've about decided that man may be wise in his silence, because he gets far more publicity from me this way, and my comments on him can be neither trite nor repetitious. It this a feud, Mr. T?

The crowds in front of DANNY VAN ALLEN'S are all admiring his new Ford Convertible. It's a custom-made beauty, and the price, whew ! ! ! Ivory in color, with green and ivory upholstery, and literally covered in solid chrome trimming. Has the spare tire on the trunk and it covered in solid chrome. Most attractive, and makes my little chartreuse job look like nothing, but nothing.

GIL LEWIS, vocalist with PEPE LANDEROS, now at ORINDA WILLOWS, is an old friend of mine by the name of LOU GILL. And because I knew him when, I'm still inclined to call him LOU, though he has reversed his name, and for obvious reason. Sorry LOU, I'll try to remember. (See, I did it again!)

Sunday breakfast at EL NIDO RANCHO is becoming a most popular social event. Beautiful leis have been flown from the Islands for the guests, and these floral decorations, coupled with the bright summer dresses, make an attractive picture in the sunlit patio. The chuck wagon breakfast features delicious hot cakes, and all you can eat.

This is your invitation to DANNY VAN ALLEN'S

Handicapped Children at Curry Day Camp

About 25 handicapped children from the Walnut Creek area are taking daily visits to Curry Creek Day Camp.

The program is sponsored by the Crippled Children's Society in the county.

Mrs. J. E. Taylor, first vice-president and case committee chairman, said children between six and 14 years are picked up each morning from Walnut Creek, Lafayette, Concord, Brentwood, Oakley, Pittsburg and Antioch.

Curry Creek camp, one of two operating in the county, opened July 21 and ends today. The second camp is in Tilden Park.

"Our day camp operates from 10 a.m. to 4 p.m. while the children enjoy hiking, swimming, polliwog hunting, group games, noon picnic and a rest period on self-made mattresses in the shade of the large oak trees," Mrs. Taylor said.

Most of the children are cases of post-polio, rheumatic heart, cerebral palsey, and other orthopedic complications, explained Camp Director Mrs. Roy Carlisle.

Mrs. Carlisle is assisted by girls from Senior Girl Scout troop 6 of Walnut Creek.

Mrs. Francis Gray, Walnut Creek troop leader, said girls helping in camp activities last week were Jean and Janet Partridge of Brentwood, Mary Lou Tinay of Lafayette, and Barbara Gray and Shirley Swain of Walnut Creek.

Day camps for the children were started three years ago and, according to Mrs. B. Rowe, publicity director from Walnut Creek, "we hope to expend the camp program next year as to the number of camps in operation."

Barbecue-Swim Party Sunday

The League of Jewish Women is getting ready for a full afternoon and evening of fun at a barbecue and swimming party to be held at beautiful Turtle Rock Ranch on Sunday.

Assisting Mrs. Arthur Scharlach, social chairman, will be Mrs. Harry Delmont and Mrs. David Zuckerman, working on the coffee committee, and Mrs. Robert Robinson and Mrs. Hy Wiseman, in charge of cocktails. Heading the committee to prepare the barbecue dinners is Mr. Arthur Scharlach.

Swimming, dancing, cocktails and a barbecue dinner are the order of the day. Reservations may be made with Mrs. Gerald Hoytt, Concord 7704, or Mrs. Ben Singer, Drake 6-4757. Members and friends are invited to attend.

Cdr. C. Blakely To Speak Before USNR Meeting

Commander C. M. Blakely, USN, will speak on "Ship Activation" during the United States Naval Reserve volunteer composite unit 12-25 meeting Tuesday evening, 7:30, at Acalanes High School.

Lieutenant Frederick E. Boyer, USNR, of Sun Valley has arranged this meeting.

Commander Blakely is the reserve training officer for the San Francisco group of the Pacific Reserve Fleet, and has served in this capacity since September, 1951.

Prior to being recalled to active duty in the present conflict, Blakely was attached to the N.R.O.T.C. at the University of New Mexico. In World War II he served aboard the heavy cruiser Chester and the battleship, Alaska.

FRANCES CLAUDET, CHAMP

Frances Claudet, director of choreography for Shipstads & Johnson Ice Follies joined the troupe in 1938 and was for many years the undisputed figure skating champion of Canada and a member of the Canadian Olympic Team. She designs the skating routines and trains the individual Ice Folliettes.
